Introduction to the Maternal/Fetal Levels of Service Classification

GOALS/LEARNING OBJECTIVES

- To promote a common language regarding acuity requirements of the mother and/or her fetus
- To support triage/consultation/transfer decisions by understanding the capabilities and expectations of each centre
- To inform prospective education, program and service planning

PRESENTER

Dr. Gerry Marquette
Medical Director, Perinatal Services BC

*** The BCWH Interprofessional Grand Rounds is a self-approved group learning activity (Section 1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada, and College of Family Physicians of Canada (MainPro M1) ***
